Project Name: Lower Mission Creek Flood Control Project Reach 1

Contact Information:

City Project Engineer: Thomas Conti

Phone: (805) 564-5383

E-mail: TConti@SantaBarbaraCA.gov

Project Description:

This project consists of the first channel section of the Lower Mission Creek Flood Control Project. This project will widen, restore, and enhance Mission Creek from State Street to Mason Street to improve channel capacity.

Project Progress:

The County of Santa Barbara and the City of Santa Barbara are working with the US Army Corps of Engineers (USACE) to finalize the design with the USACE consultant. The plans are currently at 90% Design.

Current Schedule:

Estimated start of construction: Spring 2011
